Mens

Since the last newsletter, only one competition has been played. Congratulations to Gary Witherington on winning this year's Easter Trophy with 41 pints.

For the first year, we have entered a pair in the Daily Mail Foursomes competition. Last year's Club Champion, Tim Brown is partnered with Wayne Brister. Tim and Wayne were given a bye in round 1 when John O'Gaunt dropped out, and they have now beaten South Beds in round 2. The draw for round 3 will take place shortly.

The doubles and singles knockouts are now in full swing with the preliminary round completed and round 1 needing to be played by Sunday 11th June. Please make sure you get your matches played, as no extensions will be given.

The Cainhoe Greensomes and June medal are now open for entry. Please see IG for details. The June medal will be played on a Saturday as a trial to allow players who are unable to play on Sundays to be included.

Don't forget, Captains Day will be on Saturday 8th July. Full details will be released shortly.

Cainhoe Wood Juniors (U18's)

April was a busy month for the juniors after a bit of a washout in March. The team was back to winning ways in the Vale league – triumphing 6-0 away to Buckingham. Stella performances from all the team, with Captain Will first to win his match 8&7, quickly followed by Scott Kemp in the group behind on 9&7... then a quick succession of wins from Jayden Slender 7&5, Archie Woolisroft 5&4... leaving Harry Lake to put in an early contender for performance of the season giving away 11 shots and coming back from 5 down to birdie the majority of the back 9 – completing the 6-0 victory on the 18th 2up.

We have also had 2 internal comps since our last report – with Sam Harris winning the Good Friday Stableford and Wills Worsley winning the Spring Stableford.

May will be a busy month for the team, with 2 Herts Cup matches and the start of the attempt to retain the Tavistock County Champions trophy, not to mention hosting Woburn in the Vale League.

Our season continues with regular Friday evening roll-ups at 5:30pm, for ALL junior golfers who are course ready, this does not mean that you need a handicap. Please contact Andy or Gary if you are interested in coming along. We're hoping to start up a wee-wonders activity on Friday evenings this year – calling all under 12's to get involved.

Please reach out to juniors@cainhoewoodgolf.co.uk for more information on the section and how to join.
